# BUSINESS INTENSIVE DAY

# THE BUSINESS INTENSIVE DAY

---

**Need some clarity and direction in your business?**

**Want to take your business to the next level and are ready to make that quantum leap in profits?**

**Are you not getting the results that you want right now? Is your confidence and self-esteem at an all time low?**

**Is your business feeling like a daily struggle where you are hustling to get sales?**

Perhaps you are starting a new business and want to get it up and running from the get go but are not sure what you need in place?

Ok - **enough** of the endless chasing down of clients or trading time for money.

Let's structure your business for success without limits.

Imagine having all the systems and structures in place so that you could earn money while you sleep and attract soul aligned clients eager to work with you!

What if you could have an easy to follow plan and someone to guide you every step of the way?!

What if you could work with someone who has spent thousands on her own development and studied a range of different business models. Someone who is highly intuitive and has a close connection to spirit and can see the potential of both you and your business.

The Business Intensive is a bespoke day with Sheila where we can look at specific aspects of your business.

We can look at strategy, website creation, online courses or membership sites, mindset work or removing blocks. We can also look at business reinvention if your current business is no longer lighting you up.

These days can also be instrumental in creating the strategy to launch a new business that creates profit and clients super quick.

Each Intensive is bespoke depending on the stage of your business and what you are wanting to achieve.

All Intensive Days will be held in a luxury hotel in beautiful surroundings to hold you in the highest vibration while we uplevel your life and business.

You will receive lunch and refreshments throughout the day plus a number of surprises before, during and after your day. The day will start at 10 am with an aim to finish around 4pm.

Also included:

- Initial telephone conversation and questionnaire to ensure the day covers all your needs.
- Full day with Sheila at one of our hand picked hotels.
- Follow up phone consultation to check on progress after the day.
- Materials to support your transformation.

If you are done playing small in your business and are fed up not getting the results you want you need to take action now. I can only do 4 days a month due to the energy I invest into your business transformation and they sell out fast.
